Re: The Plastic Surgery Group, LLP, et al
Our File No. 09-CR-411 (TJM)

Dear Judge McAvoy:

I join in Mr. Capezza's request that the sentencing of The Plastic Surgery Group, LLP be deferred until a date in mid to late January that is convenient to the court.

I have joined in a similar request to adjourn the sentencing of the individual doctors before Judge Homer.

I have not yet received any pre-sentencing reports and there simply would not be sufficient time to analyze and respond to those reports, and also submit any indicated sentencing memorandum to the court.

A delay in the sentencing will serve the interests of justice and enable all those being sentenced, as well as the court, to have the sentencing decision reflect all relevant available information, analysis and argument.

Thank you very much for your patience, consideration and understanding.

Respectfully submitted,

E. STEWART JONES, PLLC
